## DESSERT

All Desserts - Simply plate and serve

Brownie may be warmed if desired!!!

**NOTE:** All of the reheating is based on using a microwave. A conventional oven set at 375 degrees may be used as well. Please remember to remove all of the components from the plastic container and place in an oven safe container to reheat using this method. All of the items that should be served crispy will do much better in a conventional oven.

Remember, fine dining takes time. This is a typical 2 hour restaurant meal. Please enjoy the meal slowly, taking the time to appreciate what both you and I have done. Try to plate the meal as a Chef would. Be neat and careful, giving respect to the food, the China and yourselves. But most of all have fun with a loved one. You deserve it!!!

Thank you for choosing PRIME Fine Catering for your special evening.

Bon Appetit
